

Confidentiality Agreement

In consideration of this Agreement by Aspray Limited of 9 Dalton Court, Darwen, Lancashire, BB3 0DG, or their representatives or franchisees to provide to us confidential information in relation to its business and/or products, I hereby agree as follows:

I the undersigned, will not disclose, communicate or divulge to any other person, business or corporation any confidential information, knowledge or know-how concerning the methods of operation of the said systems, procedures or business model and which may be communicated to me by virtue of exposure to any confidential papers or other forms of information or communication.

I shall not at any time before or hereafter use or disclose either for my own benefit or the benefit of others, any such confidential information, knowledge or know-how in any manner, size shape or form whatsoever other than in the operation of an Aspray franchise or license.

I understand that any contact, either personally, by email or by phone I wish to have with Aspray's franchisees will be agreed in advance with Aspray Limited. I acknowledge this is a necessary procedure due to the commercial sensitivity of the marketplace within which Aspray operates.

The restriction contained herein shall continue to apply after the termination of any franchise agreement without limit of time but shall cease to apply to information, which comes into the public domain. Any breach of this undertaking shall cause irreparable harm to Aspray and therefore, in the event of a breach or threatened breach of the provisions of this Confidentiality Agreement, Aspray Limited shall be entitled to an injunction restraining us/me from using, disclosing or appropriating, in whole or in part, the confidential information or from rendering any services to any person or corporation to whom such confidential information has been disclosed or is threatened to be disclosed.

Nothing herein shall be construed as prohibiting Aspray Limited from pressing any other remedies available for such breach or threatened breach, including recovery of damages.

I authorise Aspray Limited to share information obtained throughout the recruitment process with appropriate Aspray Limited employees for due diligence purposes, plus other external companies or bodies as required and as it deems appropriate and necessary to complete any due diligence checks Aspray must perform to consider my suitability as a franchisee. I understand my details provided may be electronically transmitted.
